Backpackers Do It Step By Step

This year the Hiking Club was taken over by Sr. Celine Shumacher. With energetic students, it got off to an enthusiastic start.

Trips were taken to Lytle Creek, San Gorgonio, and the nearby San Bernadino Mountains. Overnight camping trips were interesting and exciting to all involved. Slides and information shared among club members.

To quote Sr. Celine, "This club is to enjoy the mountains and get away from the smog!!"

Well, that's for sure — hiking's the solution!

Hi-ho, Hi-ho, it's down the hill we go!

A Step Into The Outer Limits!

Thanks to a good moderator and interested students, the Science Fiction Club has begun its second year. This club enables all those "Sci-Fi Fanatics" to further their interests in strange phenomena.

Fund-raisers this year included candy apple sales and a candy count contest occurring during the last week of October. The proceeds were to take the members to the annual Knott's Scary Farm. Their expeditions have led them to unusual discoveries. Who knows? They might discover where the Cone-heads came from!

"KING ME!!!"

Due to popular demand, Mrs. Osborne and interested students formed the chess club. In the club, skills were improved by competing bi-weekly in matches with each other. After developing their talents in this game, the chess club sponsored a school-wide tournament where winners were awarded trophies at a special presentation banquet.

St. Paul Lettermen

Miguel Olmedo and coach Rod Hiatt formed the Lettermen's Club to honor outstanding Varsity athletes. The club was an assortment of football, basketball, baseball, track and cross-country members who received a letter in their respective sports. The members supported fellow athletes at sports events in a spirited manner which enhanced the excitement of the games they attended.

Ma 'N' Pa Get Involved!

Parents are as enthused as students...

Parents energetically gave their support to St. Paul's this year. They volunteered their time to help in all phases of St. Paul Life. Fund-raising plans included the annual International Dinner and an Art Auction. This year, the club was headed by Frank Curran, with Theresa Gunther and Camille Flores as 1st and 2nd Vice Presidents.

Boosters Do It Again!

With continuous encouragement, the Boosters undertook the responsibility of supporting our athletic department. As always, they helped our sports activities remain safe and orderly. They once again sponsored the Varsity Football Awards Banquet. We want to thank the Boosters who stand out proudly at our games in their white jackets embossed with Sammy Swordsmen — THANKS!!

Disco Epidemic Hits St. Paul!

Keeping up with the newest trends, St. Paul High featured a disco club. With Debbie Tapia, a senior, and Mrs. McCracken, the club boogied off to a great start. There were so many interested students, the club had to split into two sessions!

Top row L-R: Debbie Tapia, Cathy Pasillas, David Chavez, Louis Aranda, Patty Flock, Jeanette Bell, Mrs. McCracken, Tina Solis, Robert Dominguez, Sterling Putnam; Mid row L-R: Elaine Michalowski, Angela Pina, Mary Cafferty, Dana Jones, Frances Wood, Theresa Herron, Lisa Peila, Liz Cruz, Cindy Hurtado; Bot. row L-R: Patty Merkel, Kathy Lopez, Maria Ferraloro, Anna Dominguez, Theresa Barrett, Lillian Guardian, Paula Wood.

This clubs purpose was to instruct dance using the current disco steps, to promote confidence and enjoyment in social situations, to establish friendships, and to create pleasure. They met twice a month on Fridays afterschool — if you were lucky, sometimes you'd catch some members practicing in the bathroom!

"It's just a step to the left 'n a jump to the right!"

"Uh... what's the next step?"

Front row: Miguel Morales, Ron Janchowski, Cecelia Moraz, Terry Rodriguez, Felice Villasenor, Tracy Talkington, Anna Marquez, Corrine Sanchez, Shelley Jones.

Headed by our own Mrs. Paredes with the help of student director Larry Carlin, this year's bowling club showed a lot of potential. With every weekly meeting, the members bowled in a league with four people to a team.

With the goal of gaining the title of league champions, they bowled to win weekly trophies. The members acquired confidence and at the same time had a lot of fun.

Look out bowlers of America - — HERE WE COME!!!

Two-Edged Sword

What's happening? If that's what you were asking this year, you should have been reading the Two-Edged Sword. The newspaper staff was really making news this year, letting all students contribute their ideas. It was mainly published by Miss Kearney's journalism class, but others were encouraged to contribute.

Miss Kearney, the new moderator, along with Paul Fournier, editor, and asst. editors, Jim Sherman and Dean Sowa worked to produce monthly newspapers.

Among the changes made this year, a new feature, "Lines and Letters", was added in which students could write messages to their friends. On the whole, the staff kept students up to date on what was heppening here at St. Paul.

This year the Library Guild worked hard to keep our library organized and working as efficiently as possible. Moderated by Mrs. Fleming, the fourteen members of the staff helped sort books, work at the librarian's desk and in general, did their best to be of service in any way they could. The members dedicated thirty minutes everyday to help out in the library.

It wasn't all work though, as they were able to take time out to have their annual Christmas party and the Faculty Tea in February. Also, they planned to take a field trip this Spring and at the end of the year, they had their annual party for the senior members.

The Library Guild did a great job in keeping our library working most effectively for the benefit of the students.

Bishop Moreno and campus priests at Guadalupe Mass.

Blessing of the mosaic.

¡Ole, Ole!

The Spanish Club this year, headed by Sr. Therese Marie, was made up of people getting involved in Spanish backgrounds. They accomplished their main goal, having the mural of Guadalupe completed, so that all the Hispanic-Americans and others could appreciate the beauty of the Mexican faith. In celebration of the completed work, Bishop Moreno came to the school and a special mass was held. The fund-raisers for this goal were: Sponsering the December dance, See's Sucker sales, bake sales, and more. This club was a great asset for those interested in enriching the Hispanic culture at S.P.

C.A.M. Accomplishes Goals In Service Work

Under Fr. Curry's direction, the Christian Action Movement began its second year. The group's purpose was to do Christian Service within and outside school. Together the members helped co-ordinate the campus masses held on Thanksgiving, Christmas, and various other special occasions. They also worked as organizers and homeroom representatives during the successful Thanksgiving food drive, where over 40 boxes of food and $600 were collected for the local organizations serving the poor. In the future, club members hope to get involved in more community service projects.

Outreach Shows Concern

One new club this year was Youth Outreach. Its main purpose was to do services within the community. Their goal was to make students aware of what was going on in the world outside of their own personal lives and help solve some of the problems found. They worked with the poor and elderly, supported the East L.A. Salesian Boy's Club, the Hospitality Kitchen, and sponsored the 26 mile March for Hunger. Outreach, an open club, had almost 100 members. We are proud of these students and their Christian work.

Tarsus Tops The Chart

Tarsus, the music makers of St. Paul, certainly had a busy schedule this year. Soon after the auditions held in October, these selected musicians and singers displayed their gifted talents at different kinds of events throughout the year. Performances were held at detention camps, church functions, the S.P. Christmas concert, a student council conference, and the campus masses. Time out was taken in January for a relaxing retreat up in the mountains. This group, headed by a fantastic music major, Hanan Yaqub, developed a close relationship. Although hard work was the main action, this group had a fun time.

Secretaries Ready For Business

For anyone interested in a career in business, the Secretary's Club was the club to join. Its main purpose was to help its members further their knowledge of the secretarial field. It consisted of 60 members all of whom were juniors and seniors in business classes. They participated in such activities as field trips to major businesses and listening to guest speakers at meetings. They sponsored bake sales, grams, raffles, and a most successful, Father-Daughter Night. Proceeds went towards buying equipment for the business department. Moderated by Miss Oswald and Mrs. Armstrong, the Secretary Club was very popular and enriching.

Vive La France!

Le Cercle Francais, or better known as the French Club, is one of our newer clubs this year. Meeting bi-monthly, 13 active members come together to learn more about the French language and culture by playing games, listening to records, and taking field trips to educational places. The club sold refreshments at dances to raise money for a dinner at a French restaurant and a service project for the school. Hopefully this club will spawn a new generation of appreciators of the French culture.

Raquetball Club

St. Paul was really getting into the fascinating sport of raquetball this year as one of our newest clubs was established. The raquetball club was open to anyone and had a membership of 17. The members would go every Saturday to work out and get some exercise with a lot of fun by playing games at the La Mirada Raquetball Club. Another good side of their club was the tournament they planned to have. Over all, this club was one of the most active and fun clubs here at St. Paul.

Dealing with icy road conditions.

Without a doubt, the ski club was definitely one of the most popular clubs ever to swoosh by St. Paul High. With the help of special student skiing agencies, the members were able to ski to their hearts content at fairly reasonable prices, at such tantalizing slopes as Mammoth, Squaw Valley, Heavenly Valley, North Star, and many other places.

Trips gave members a chance to get away from the hassles of everyday life, as well as taking in a few breathtaking sights, whether it be a beautiful snow capped mountain against a crystal clear blue sky, or a fellow skier of the opposite gender. But either way you look at it, this club has given students opportunities to ski and to meet new people. Hopefully this year's success will continue for all future skiers at St. Paul.

Staff Survives Another Year?

Lumen was both a class and an after-school activity. The class which was held 2nd period, consisted of 9 seniors and 1 sophomore who produced the contents of the book. Of course, the afterschool gang played a big part in this production. This club provided experiences that were unnatural to human abilities, such as: working in the wee hours to meet a deadline, racking brains for unique ideas, organizing photo sessions where no one showed up for the pictures, struggling with malfunctioning typewriter and uncooperative fingers, having completed layouts refused, misplacing important pictures, and basically, living through it all. Well, now you know why sanitariums are necessary!

Believe it or not, we, the Lumen-atics, headed by Lucy Sacco, had a fun (?) time. Great friendships were developed between all which made accomplishing our heavy tasks easier.

This year proved to be one of craziness, destruction, nausea, and studiousness, all of which the Lumen captured. This had to be one of the most exciting clubs on campus—regardless of some of the insane jobs. A bit of advice to future Lumen-atics—GOOD LUCK!!!

ASB Initiates Involvement

This year St. Paul's Associated Student Body has lived up to their title. Not only did the ASB provide an excellent Spirit Week and Homecoming, but they began new projects such as the "student forum" and the "Champions" assembly. This year they have also received active participation from members of various clubs in our school. The student participation this year, was the highest it's ever been at St. Paul's. Such policies and improvements have paved the way for future student governments.

Ms. Hanan Yaqub, Director

This year's St. Paul Singers, consisting of 35 students, were the largest they had ever been. It was a mixed choir with intermediate to advanced singers while Les Chanteuses was a select group of twelve girls that met in the mornings to practice. Both of these groups sang many different styles of songs. Under the direction of Ms. Hanan Yaqub, they performed at the Christmas Concert, Spring Concert, Regional Choral Festival, and the Spring Music Workshop at Mount St. Mary's College.

Swordsmen Chorale Round Up The Year

The Troubadours and the Swordsmen Chorale, both new groups, were composed of students that were beginning to advanced singers. These groups were open to any grade level as a class, in which they learned many different styles of music. They performed at the Christmas Concert, Spring Concert, Regional Choral Festival, and the Spring Music Workshop at Mount St. Mary's College under the direction of Ms. Hanan Yaqub.

The Swordsmen Chorale members are: Tony Arciniega, Jose Arocho, Jeff Baumeister, Danny Bockhold, Peter Cordova, Xavier Espino, Larry Frabotta, Ben Grado, Larry Guereque, Cliff Heidrich, David Hernandez, Jaime Ibold, Mario Irizarry, Manuel Juarez, Joseph Melendrez, Alan Mendez, Dale Morales, Jim Noltensmeier, Hector Palacios, Armando Perez, Sterling Putnam, Mike Restelli, Henry Reyes, John Rooks, Ruben Sequra, Joseph Sowa, Tom Sweeney, Robert Villa.

Drama Society Makes A Fresh Start

Sonya Elizalde struggles with paint cans backstage.

With the administration providing a substantial budget and Mr. Gene Putnam, a qualified director, drama took quite a step forward this year. The year began with an excellent performance of the "Matchmaker," at Rio Hondo's Wray Theater. It was described by many people as "very professional" and "the best high school show they'd seen". They rounded out the year by performing "Free To Be . . . You and Me" as a fundraiser, and the much awaited musical "Once Upon A Mattress". Judging by the quality of the performances, drama became truly successful this year.

S.P. Girls Terrorize The Hills Of La Mirada

All was calm on Aug. 24th at La Mirada Regional Park. The quiet water in the lake rippled gently in the breeze. Here and there couples played tennis or frisbee and joggers were scattered over the green hills. But, suddenly, loud and strange noises were heard from under a giant tree which was completely hidden by toilet paper. Further investigation led to the discovery of hundreds of girls spreading havoc and confusion and all in all creating bedlam throughout the park. No, they were not Beaman escapees, but rather S.P. seniors showing the new freshman girls how to have "fun".

The annual Big Sis-Lil' Sis Picnic was an obvious success thanks to the hardworking ASB officers, especially the Sr. class officers who planned and sponsored the entire event. All the girls, seniors and freshmen alike, will probably always remember that "wild and crazy day".

"It's over, it's over now."

"Such children!"

Hard Work Pays Off For The J.V.'s

The 1978-79 J.V. Cheerleaders added alot of spirit to St. Paul this year. Headed by Cynthia Martin, they worked hard all summer, coming back from camp with a superior trophy and superior ribbons. They also took first place in the Arroyo Competition, and along with cheering at the Sophomore games, added a great deal of pep to the rallies.

A Squad To Remember: '78-'79 Cheerleaders.

Each member of the '78-'79 cheerleading squad will always remember their remarkable year! Countless practices proved worthy as they placed 1st in Arroyo Competition. Dedication and attitude were some of the key factors in their success, and they did much more than many people ever realize. Their craziness added much to the spirit of St. Paul and the Swordsmen pride shall always remain in their hearts. Alrighta, MMM... Yeah!!

Songleaders: Happy Memories Fill Their Hearts

This year's songleaders worked together to have fun and to improve the spirit of the school. Their long and many hours of practice proved rewarding when they received Superior trophies at summer camp in Santa Barbara and, later in the year, placed 1st at the Arroyo Competition. They helped plan several successful rallies along with other spirit-filled activities. '78-'79 will always hold fond and happy memories for each member of this squad!

Flagsters Remain Number One!

The flagsters' hard work this summer paid off when they received sweepstakes at camp and first place at competition. This year they joined the cheerleaders and songleaders in cheering at the games, as well as performing at halftime. Here the flagsters speak up about the year. Maureen, "I've learned alot about myself and gained confidence." Ruth, "I've gotten to know many people whom have lasted as great friends." Maggie, "It's made me realize that you need other people and you have to work together as a family." Marty, "It's really great to have a meaningful relationship with each one of the members." Terry, "In flag it's one for all and all for one, we've become good friends." Sue, "I wouldn't trade the experience I've had for anything." Theresa, "It was fun but hard and I wanted to prove it to myself that I could do it."

Leader, Marty Delgado.

Varsity Band performs at a rally.

Good Vibrations Comin' Atcha

This year the St. Paul Band, directed by Mr. Clark, expanded in size considerably. The Cadet band consisted of forty-two students, most of whom had never played in a band before. They made plans to put on a concert for the public. The intermediate band, which consisted of seven students, already had some experience with their instruments. In the varsity band there were over seventy students. They performed at all home football games and playoff games and added pep to the rallies. After football season they became a concert band, playing in the Annual Spring Concert among others. The band played a variety of music such as rock, jazz, and classical. Since it still is a young band, there will be plenty of returning talent as well as new talent in the years to come.

Tall Flags Wave To The Sky

The Tall Flag squad grew in size, from the original eight members, to ten this year. They attended camp in the summer, at Santa Cruz, where they did excellently, walking away with a 2nd place trophy and an overall Superior trophy. The squad attended competitions and also made up flag routines to perform at half-times. The girls learned to work together and became very close by the end of the year. This is what they have to say about their squad: Jeanette, "It's made me respect the responsibilities of leadership; it's made my hair curly"; Anne-Marie, "The best part wasgetting to know one another better, and working together, and going crazy at camp"; Linda, "It has made me become more responsible; you always know the latest gossip"; Heliett, "Now I feel more involved in school, I feel a part of the school"; Laurie, "We learned to get along with others; I really enjoy half-times"; Laura, "It has shown me how to work with others; Heliett's laugh has affected me"; Carla, "It made me appreciate belonging to something; to me the squads are like another family . . ."

Kneeling: Carla Figueroa, Heliett Canterero, Linda Galloway, Laurie Benson, Anne-Marie Maikisch, Nancy Ventura, Standing: Jeanette McDonald, Tammi Lascari, Laura Parra, Sue Terry.

Majorettes Twirl To the Rhythm

The majorettes of '78-'79 consisted of a group of four hardworking girls. They learned to work and have fun together and they grew closer as they achieved success and year long goals. They did excellently at summer camp, taking trophies and ribbons in every class. This is what they say about their squad: Lisa (vet 1), "It's been a challenge, but, it's worth it; twirling fire is something I'll never forget"; Donna (rookie), "I like the way it feels when you're out there performing and you see all the people in the stands"; Ellen (vet 2), "I strengthened and made new friendships; twirling fire was the highlight of my experiences"; Laurie (leader), "I've had to learn to handle difficult situations and responsibilities; (hi Mom!)"

New Squad, Jazzmines Boogie Down-Field

This year, replacing the Drill Team, St. Paul enjoyed a new group of performers at half-time. They were formally called The Jazzmines, but were more regularly known as the Dance Team. Headed by Beth Stagno, with co-leaders Deanna Franco and Sharon Flaim, the dancers choreographed half-time routines and routines for competition. When asked about their year on this squad almost all the dancers agreed that summer camp was one of the most exciting highlights. They left camp with two superior trophies and both superior and excellent ribbons from their classes. Here are some other things they said about the year: Gina, "It's shown me how to handle responsibility"; Sharon, I like to perform and see all the spirit at the games"; Beth, "I've made a lot of good friends; I'm looking forward to next year"; Judeen, "It has affected me greatly; I'm more involved in school and what it's all about"; Beth, "I learned to tolerate people and responsibility"; Kim, "The best part was Friday night games and just all of us being together!"; (Guess who), "I loved to go hyper at the games and practices."

Friends,

Seek out your goals with a smile
be the best person you can be
Don't be afraid to dream,
or to look back and remember...
the laughter
the tears
the love we shared
and the true friends we've gained.
Never forget,
you are somebody.
You stand for something.
You count.
Looking back,
we've come a long way, and without each other
it would have been impossible.
Looking on,

A Farewell Message

Dear Seniors of 1979,

I wish to preface these remarks by expressing my sincere gratitude to your class for the outstanding role it has played in building up the St. Paul community these past four years. Because you cared about this school, because you were concerned for its' well-being, we have grown as a family while each of you have grown to young adulthood. You have given generously of your time and talents to enhance the image of your school, to improve its many programs and to create an atmosphere in which we could all work together in a spirit of harmony and mutual support. We are most grateful to you. For the respect and friendship which you have shown to me personally, I add a very special note of thanks.

And now you will soon be leaving us. As you take this step, my feelings are ambivalent. I regret to see you leave, yet I am excited at the limitless potential for further growth which exists in the worlds of higher education, of work, of family, to which you go.

As you make this transition, I ask you to remember your roots and cherish them. Your home, your parents, your family, your church, your school have all contributed to making you what you are. They are the sources of deep strength. You would be well advised to continue to draw from these sources.

For the future, I say to you, be happy! But note that true happiness does not come from the possession of things or people. It consists in being free of slavish servitude to things and in being capable of giving ourselves to others-to loving without counting the cost and being loved in return.

Be hopeful! Never let failure drag you down to cynicism and despair. Keep your dreams alive. You have a Father in heaven who loves you, cares for you, and will help you achieve all that is truly good.

Be at peace! The peace I wish you is that which comes from a good conscience - from the ability to say to yourself that in all life's decisions, you have tried to do what is honest, decent and true. No other peace is possible or worth having.

May God bless you and keep you always,

Father Aidan M. Carroll

Spirit Of '80'

Moderator: Mr. Mondaca

JUNIORS-Seeking to find ... meaningful goals in life. Becoming upperclassmen on Ring Day, many juniors found it was time to start planning for their future. The year was not all spent in deep meditation, however, for the spirit of the class of '80' earned them the spirit trophy for the third consecutive year. Busy until the end, the class officers worked hard to plan a very memorable Junior-Senior Prom.

'82 Makes

Beginning the year with high expectations and the determination to succeed, the Freshmen Class of '82 soon adjusted to their daily routines. With their readiness to adapt to new ideas, they showed the promise of becoming an important part of our school family and students that would make St. Paul High School proud.

But you know one thing I'm sure of it'll never happen again because I've listens to you from now on! Cause there's never been a time when you were wrong. So take care & I'll see you in only a year. Be safe & I'll see you at last Eufetime Because I'll be anywhere to come & get you again I'll give him hell!

Thanks for everything & to John

I'll be sure to

Love always

Because this is some of the very best food I've ever had! Be sure & tell Peter that I said Hi & I'm going to miss you!

Daneen, (cont)
There's so much I have to say that I didn't say before. But this one thing I love you! and if it wasn't for you I'd probably be in Hell. There's never been anyone in this entire world that ever been close to as much as you. & I'll place my hand on the Bible too! You know what? I know you would believe me. But you are my Best friend

faculty

On the way of Wisdom
I direct you.
I lead you
On straightforward paths.
When you walk, your step
Will not be impeded,
And should you run,
You will not stumble.
Hold Fast to Instruction,
Never let her go.
Keep her,

Faculty

With the new school year, 350 students joined St. Paul's community. Like the rest of us, they came here with various hopes and dreams and differing expectations. Our Faculty has kept St. Paul's moving in a direction that combined our traditions and spirit with the opportunity to learn and grow in such a way that we could make our dreams come to realization. They encouraged us to get involved and then supported us by becoming involved themselves, whether it was devising a new method of learning, moderating a club or activity, or coaching a sport. The Faculty this year have shown that they can be more than teachers to their students.

St. Paul Swordsmen Capture 1978 Angelus League Crown

The 1978 Season is one that will never be forgotten in the annals of Swordsmen history at St. Paul. Instead of remembering the team only because it came up short of going to the CIF finals at the "Big A," let's review the high points and keep the successes fresh in our minds.

The '78 Swordsmen began the year with many positions left wide open. Having lost their fine team speed of the previous years didn't help the squad and many Juniors were called upon to fill the graduated voids. In addition to the lack of experience, the Swordsmen roster slipped below sixty for the first time in twelve seasons. The effect was a great deal of adjustments made by Coach Ancich and his staff, which featured four new coaches on the varsity level. Due to the school's winning tradition in football, newspaper pollsters still picked the Swordsmen to battle an experienced and letterman ladened Mater Dei squad for the League Crown.

The season started with a bang as the Swordsmen stunned long time rival El Rancho 32 to 8 and served notice that they were ready to bump heads with anyone. The passing attack was at its best and gave the Swordsmen offense a new spark as some of the newcomers came through. Test number two in the pre-season was Desert Power Palmdale and the fast improving Swordsmen ran away from the Falcons by a score of 37 to 0. Moore league champ Long Beach Poly was next and the Swordsmen responded with a narrow 7 to 0 triumph over the very physical and speedy Jackrabbits. The Big Blue fumbled away a few scoring chances and were fortunate to hold off an upset minded Poly eleven. The Swordsmen's finest hour in the pre-season came against a heavily favored and physically huge Loyola team. When the dust cleared, the Swordsmen had pulled off a major upset by outplaying and

outhitting the Cubs 20 to 12. This gave the Swordsmen an unbeaten record of 4 and 0 and prepared them for the vigors of the Angelus League season.

Angelus League play saw the Swordsmen open against league newcomer Bishop Montgomery from Torrance. The Knights were outclassed and fell to the Big Blue by a score of 35 to 16. Next up was a trip to Orange County and a crucial game with league favorite Mater Dei. Although outweighed almost 30 pounds a man the Swordsmens' survival instinct surfaced and they somehow managed to find a way to win with a key fumble recovery and a 7 to 3 triumph. The result of the victory saw the Swordsmen move to the #1 spot in all the Southland Top Ten polls. Next up was a game against quick Pius X team which was celebrating their Homecoming and 25th Anniversary. The Swordsmen were not very sharp in this one and were lucky to slip by the Warriors by a score of 10 to 0. Homecoming was next and the big game with long time rival Servite of Anaheim. A full house of over 10,000 witnessed the best game of the year and a very decisive 23 to 7 victory for the high flying Swordsmen. The final step to an unbeaten season meant a trip to La Puente and a rugged test against arch rival Bishop Amat. The game was a toe to toe war in which the Swordsmen surged to a strong 21 to 0 victory and the Angelus League Crown.

The battle yell was "On to the CIF." The Swordsmen's opponent in the first round was Sunset Power Newport Harbor. In this game, the Swordsmen had a lot riding: a nine game win streak; the number 1 CIF ranking; an unbeaten season, and a possible trip to the "Big A."

The Swordsmen slipped on the muddy Cranham Memorial turf and fell to the Sailors from Newport 10 to 7. Football has been described as "Life in a microcosm." It has its victories and defeats, its rewards and punishments, its memorable moments, and times we would rather forget. But if we look at the 1978 Football Season as the year that the CIF Championship slipped from the palms of our hands, then we are looking at life with a defeatist attitude. The year 1978 in the annals of Swordsmen football history was one of the greatest experiences of our lives. It was a victory, it had rewards and it was memorable.

J.V. Football Had Perfect Season

This was a very positive season for the J.V. team. They had a complete schedule of seven games, but due to injuries on the other teams, only four were played. Led by quarterback Paul Viele, the offense team compiled 93 points, spurring the team on to a 4-0 record. On defense, Adrian DeLaOssa and Chris Willig led a group of intense young Swordsmen, and kept the opponents out of the end zone.

Sophs Show Promise For The Future

Following an opening season loss to El Rancho, the 1978 Sophomore Football Team won their next three games, including a convincing win over the highly rated Loyola team. In Angelus League competition, two close losses to Servite and Mater Dei prevented the Swordsmen from winning the league crown. The 1978 season finished on a positive note when the St. Paul Sophomores inflicted a powerful defeat on arch-rival Bishop Amat.

Frosh Football Second In Angelus League

After dropping the season opener and losing to Loyola, the Freshmen got it together and placed second in the Angelus League. Bishop Amat handed them their only league loss with a dissapointing score of 7-8 in the championship game. In keeping with Swordsmen tradition, this year's Frosh team showed a great deal of promise for the future.

Varsity Cross Country Finishes Third In Angelus League

This years Cross Country team lacked experience as only one varsity runner returned. The season began slowly, as could be expected, but as the season progressed, things began looking better and better. The Varsity ended their season with big wins against Servite and Pius X. In the League Finals they came through with their best performance of the year, having several runners placing high, finishing in third place as a team.

The Varsity Team was led by seniors Gilbert Medina, Shane Ryal and David Cox. They received strong support from Ted Guzman, Marty Garcia and Henry Guzman and Keith Croom.

The Frosh-Soph and J.V. Teams both had excellent seasons, finishing in second place in the Angelus League.

Varsity Volleyball Strives For Perfection

The Varsity Volleyball Team, coached by Mrs. Karen Gunningham, began their season quickly with the Ventura High School and Glendale High School Tournaments participating in "team" volleyball situations which helped them as they entered league play.

They were in second place in the league standings at the conclusion of the first round. They have a 8-4 record in the league. Mid-way through the season the team experienced a "mental let-down", and compensated by concentrating more on team orientated play, rather than just individual play on the court. This strategy proved very effective in a highly inspired defensive game against Mater Dei and in the total domination of Sacred Heart and Pius X.

The Varsity Volleyball team is anxiously looking forward to fullfilling their main goal of the season-to reach the CIF playoffs and to emerge Number One.

Varsity Basketball Has Exciting 6-15 Season

The 1978-79 Swordsmen Basketball team showed determination and a great deal of hustle throughout the season. Their overall record of 6-15 is not a true indicator of the caliber of play that the team displayed.

The starting five for many of the games this season were underclassmen. This provided them with an excellent opportunity to gain valuable experience for the upcoming seasons.

Close and exciting games, including overtime losses to Pius X and Servite, seemed to be the general rule of the season. The Swordsmen lost six games by a combined total of ten points, two of which were two point losses to Neff and Bosco Tech.

The team experienced many "firsts" this year, particularly "Basketball on Parade" where Nancy Viele was crowned Queen, and the transference of home games to Whittier College.

Next year St. Paul hopes to continue improving and, with some luck, qualify for the CIF Playoffs for the first time since 1967.

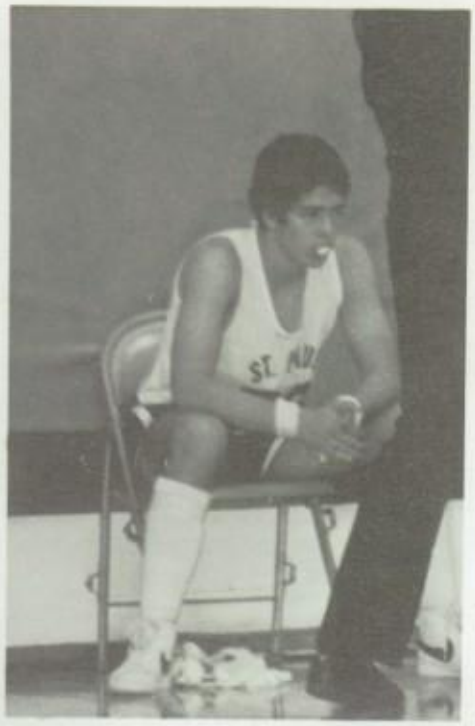
J.V. Basketball Builds For The Future

The Junior Varsity Basketball Team is comprised of a group of talented dedicated young men. This year, after weeks of hard work they entered their games with vigor and high aspirations of a good season.

During the season, the team gained valuable experience and training to help build the basketball program at St. Paul in the years to come.

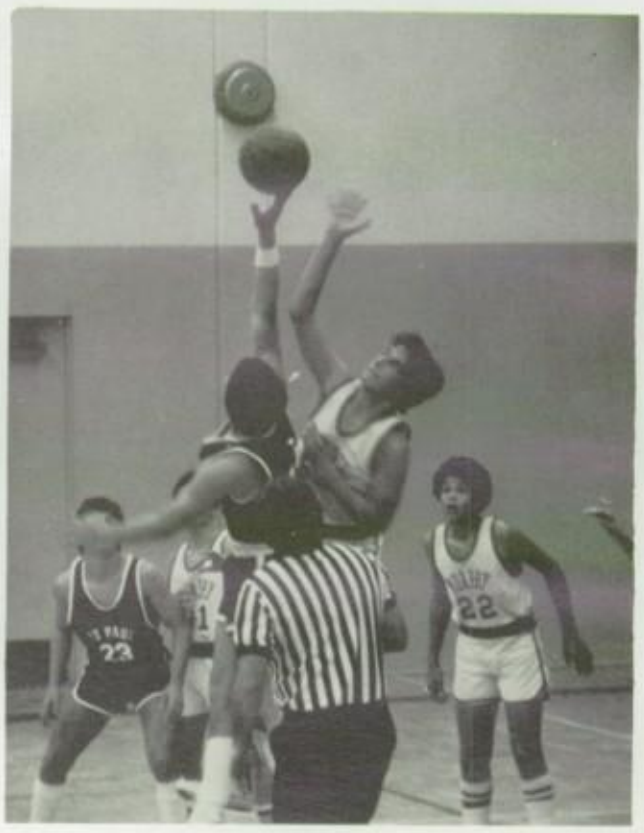


Sophomores Shoot For A Good Season

The Bee Team began its season with only 4 returning players. They coupled their good height and strength with existing potential to come out of preseason with a 3-1 record. Coaches Ron Arian and Dan Quintana, both of nearby Whittier College, kept the players practicing hard to try to maintain their good record as they faced tough Angelus League teams. The Sophs saw quite a bit of action, especially at the Mater Dei league opener, but continued to improve as a team and strive for a league title.

Front Row: Richard Cornego, Graig Schneiders, Mike Estrada, Jere McDonald, Tim Crawley, Kevin Watkins, Mark Marion. Back Row: Coach Dan Quintana, Craig Willig, John Smith, Patrick Dull, Mike McCabe, Mark Zeko, John Fitzgerald, Rudy Ybarra, Chris Willig, Head Coach Ron Arian.

Towering over opponents, John Fitzgerald takes aim.



Top Row: Coach Jack Thomas, Steve Rahon, John Quiroz, Sal Apodaca, Tim Clavin, Brad Foss, Steve Wilkerson, Ruben Segura, Paul Magana, Head Coach Nick Guerrero, Bottom Row: Jack Hartley, Mark Parker, Larry Guereque, Armando Perez, Andy Stankiewicz, Henry Reyes, Brian Clements.

John Quiroz goes in the air to score.

Frosh Begin With A Strong Outlook

Coached by returning Saint Paul graduates Nick Guerrero and Jack Thomas, the Cee Basketball team started off well. They finished pre-season play boasting a 4-0 record over their opponents. However, Angeles League competition proved to be more challenging. To finish the season ahead, the freshmen needed to take full advantage of their assets, such as height, an work on the strategy and discipline that previously led them to victory.

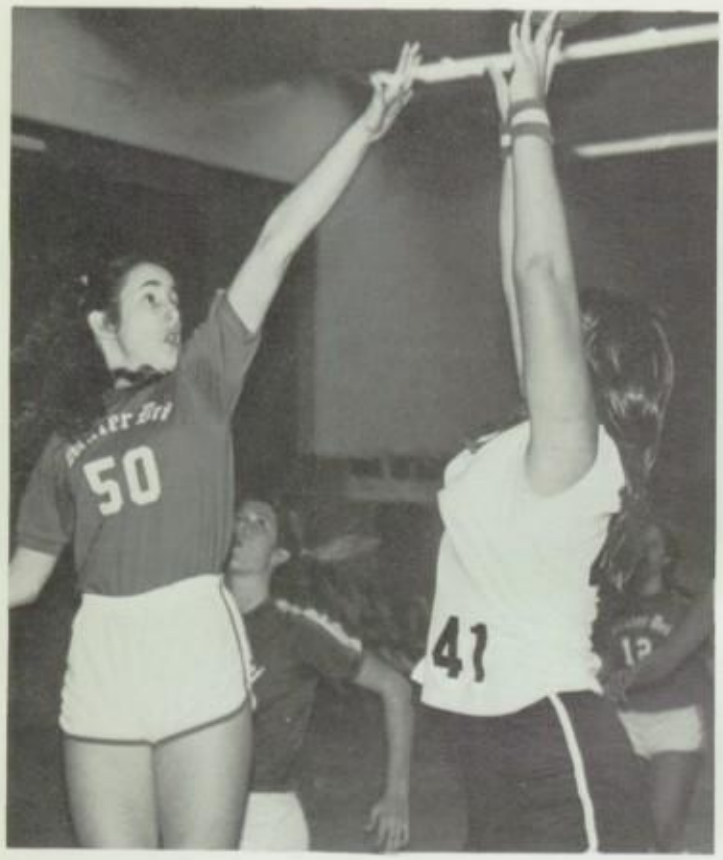
Girl's Varsity Basketball

Though the competition was tough, the Girl's Varsity Basketball team came through the emotion packed and tension filled games. At the start of their second round of League play, the team's record was 3-4. Throughout the second half of the season, the team planned to concentrate mainly on their defensive operations and maintaining their "cool" attitudes in tense situations which proved to be the key factor in several games.

The players improved progressively with each new game situation. This year's team was fairly "young"- an encouraging aspect for the next two or three years. While learning from their mistakes and perfecting their basic skills, the team planned to finish strong- aiming for a spot in the CIF playoffs.

Back Row: Karen Arguijo, Nancy Westbrook, Desi Touriville, Patti Clinton, Cynthia Gunther, Helga Hrowal. Front Row: Nancy Viele, Angela Martinez, Susannah Gutierrez, Beth Grey, Patty Aquino, Michi Muller.



Linda Patterson shoots through a block by #50.

Evelyn Garcia puts it up for two points.

J.V. Team Stands Tall In The 1979 Season

Due to the newness of the team, the J.V.'s got off to a slow start. However, they had the advantage of height and speed, which needed only to be developed and disciplined. Coach Sherri Fleckenstein kept the girls practicing hard to improve their record and strengthen their skills, in order to continue the traditionally strong Girls' Basketball program at S.P.

Soccer Continues To Grow

Only in its second year, the soccer team played against local teams free-lance, rather than in a regular league. Next year, Brother Peter hopes to see the sport begin in all the Angelus League schools, but if this doesn't happen, the team will most likely join the Whitmont League.

The group started off this season with a victory over highly rated West Covina, but ran into difficulty after that. They were stricken with a few injuries that left the spot of goalee open. J.V. members were recruited to fill this spot, and also the positions left open by a few players who dropped the team mid-season.

At this stage, the Soccer team is still going through "growing pains," but with the experience gained during the season, an ever-enlargening number of interested players, and a strong J.V. team, the future of Soccer at St. Paul's is promising.

Daneen,
WELP, WHAT CAN I SAY. IT'S BEEN JUST TERRIFFIC" KNOWING YOU. WE ONLY HAVE ONE MORE YEAR AT GOOD OLD S.P.H.S. LET'S MAKE IT THE BEST. LOVE YA KITTY

Dawen
It was great
having you in a
few of my classes
It was a shame
not talk enough during the
year. Hope you have a nice
summer and a great senior year.
Paul

Dawen,
Well this
year is almost
over & you were one
of many classes
I hope that you have lots of
more good times
future & you have a great
work at another school.
Hope that you have a dark tan
Summer & get a good job.
I have lots of fun
Gosh Denise
I could barely find
a place to write
well you have been
really nice to me this year
and I don't know how to
repay you. Can you think
of a way? Well I hope
you will have a happy
summer. Bye!
Love Mark

Dawen,
It was fun getting to know you
at bowling last year. I hope
you can stand one more year
here at S.P. Senior year will be
a small one, it will come
to come. Good Luck in the years
to come.

God Dave, I don't know exactly what to say except everything. To start with I want to tell you that you are a super, fun, exciting, and close friend. God I think we've been through a hell of a lot together & Remember when we were in McCarthy's class and all we talked about was Ralph, Glenn, David and all the rest of the gang at in "Beatlemania". Man, did I have fun thinking about those guys. Remember when we kept wanting to go to those baseball games and we never went. I was so glad that someone else knew those guys. It was so much fun in that class, Tony you and I use to talk about his bitchy sister-in-Law, and we also use to talk about dead people. Remember how easy it was to cheat in that class. Remember when we played the Steve Martin Album and we had to skip over the dirty parts for Fr. McCarthy (Grizzly Adams). Then we really became close when good old Woods came into the picture. Boy he's somekind of Teacher (wierd!) But he's pretty funny. I guess I owe him some thanks for bringing us together. This last semester with him has really been different. And then there was that thrilling, exciting class we shared a semester, that good ole Physiology. Well we made it through that course, so now we can tackle just about anything. That class was hard. You know I think that he enjoys giving us those real hard tests. If it wasn't for those curves of his I would have failed every test.

I've found it very hard to explain everything I feel for you. But here goes anyway. I've met girls Before, but I've never met any girl who cared about me as much as you do. It took quite a while for us to get togeth but the main thing is that it happned! I've never been as happy with any other girl and I never could be. While I'm gone for six months I want you to remember one thing I'll love you from around the corner or around the world and it will never end! I've never had (OOPS) any girl love me as much and I seriously doubt that any girl (SKIN) could show me as much love as you [redacted] have show me. Well thats the best I can do about putting my feelings on (SHIT) paper. What it all amounts to is I Love You and no-one can change that NO-ONE!

Always Lovin You

Daneen,
Well where do I start, your such a neat friend. I hope this friendship will last forever. Remember all ~~the~~ times in Physiology. w/ Dave -> the funnyes ~~t~~ times. The Serious times. You always seem to happy, that makes me happy. Oh I forget Remember all the times we got the answers to the quizes from Sue & Rita. What would we have done w/out them Where going to be seniors next year can you believe it. I'm excited but sad. This summer you better come & eat pizza ok. I love ya

Daneen-
We made it
thru another year
(I don't know how)
We aren't from one hard class-(Mondacas)
to another (algebra) Hope next year is
easier! Have a wonderful summer.
Good luck in your Senior year.

Dani,

Hi - I want you to know that I will miss you very much and I hope when I leave we will be as close as we are now. I will write you after I get home and it's possible - I will be back in 2 years - Yeah I'll kick your ass when I get back because of all the thinking about you I'm with it and I don't want to get very close with anyone because I hope when I get back. No you can't write me for you want a friend. Kidding! (continued)

Dani;

Thanks for all the notes you have drawn and all the paper you let me use. I really hope you had a good time in the 6th grs to come.

Danine,
I think you are a bitch person and I hope we will stay in touch I loved giving you messages (spelt wrong) on your neck in anatomy. Just remember me as the guy with the golden hands. I am going to miss you and the rest in anatomy. I hope we stay in touch. we should use our lives filled with close enough. have fun next year + remember me.

Daneen,
This year has been great. It's gone by so fast but not fast enough. Alaska was different but fun. Hope

DANEEN, WELL WE'VE FINALLY MADE IT THROUGH SPEEDWRITING. THIS IS ONE OF THE BORINGIST AND WORSE CLASSI'VE EVER BEEN IN. BUT WE MADE IT THROUGH. THANKS FOR THE HELP ON ALL THOSE ALGEBRA TESTS. YOU HELPED ME OUT A LOT. I HOPE YOU HAVE A TERRIFIC SENIOR YEAR BECAUSE I KNOW I HAVE. JUST REMEBER TO STAY OUT OF TROUBLE
